

WILTON TOOL MFG. COMPANY

No. 38-A

Chicago 14, Illinois

JANUARY 2nd, 1949

STOCKING DISTRIBUTORS NET PRICE SHEET FOR WILTON AND TORCO VISES.

This net price sheet, effective as of January 2nd, 1949 supersedes all previous quotations.

TERMS AND CONDITIONS:

Prices are understood with freight prepaid on all shipments within continental U.S.A. on orders in excess of \$100.00 net value. Smaller lots are F.O.B. Chicago.

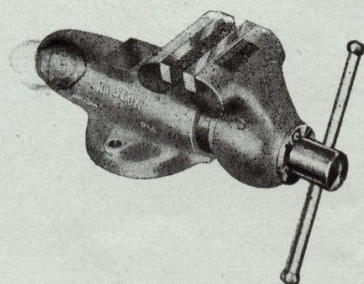

TERMS: 2% discount 10th prox. on all bills up to the 28th of any month. Invoices for the last 2-3 days of the month can be carried over to the second month following. All Wilton Machinist, Jewelers and Pipe vises are date stamped and sold with five year guarantee. We are however not to be held responsible for freight charges involved on guarantee replacements.

RESALE: For resale prices consult our Resale Price Sheet No. 119.

Distributors are urgently requested not to sell Wilton Precision Vises at less than our suggested resale prices. Returned goods are not accepted without our consent and then only with charges prepaid. A charge of 10% will be made to cover handling and reconditioning.

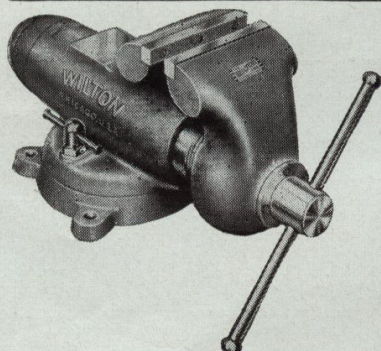

All Wilton Vises are subject to a Five Year Factory Guarantee.

ALL STEEL DISPLAY STANDS FOR WILTON VISES

SPECIAL OFFER

To help our customers boost sales, we have created a most attractive display stand which holds seven vises with swivel bases in sizes No. 25S, No. 30S, No. 35S, No. 40S, No. 400S, No. 50S and No. C-1. (We can substitute size No. 45S, for No. 40S, and size No. 450S, for No. 50S).

We offer these stands as pictured at \$10.00 net each, which is about one half of our actual cost. With it we supply the seven vises at regular discount and ship it prepaid within U.S.A.

The display stand is shipped knocked down in one corrugated carton size of which is 48" x 15" x 6½", weight 70 lbs. The set-up stand is 55½" high x 30" long x 14" wide and it is made of 16 gauge steel sheet finished in attractive dark blue baked enamel. We provide 28 assembly bolts and 14 vise mounting bolts with which the seven vises are bolted down in prepunched holes to prevent shoplifting.
